# Cookie Policy

Last updated: November 2026

This website does not set any cookies of its own on your device.

Visitor statistics are measured with Cloudflare Web Analytics, which works without cookies and does not track visitors across pages or websites. A cookie consent banner is therefore not required.

## Third-party content

| | |
|---|---|
| Cal.com booking calendar (Contact page): | the embedded booking calendar is provided by Cal.com Inc., which may set its own cookies to run the calendar. These are governed by Cal.com's privacy and cookie policies. |

This website does not use marketing or advertising cookies, or third-party tracking tools (e.g. Google Analytics, Meta Pixel).
